One Earth has three focus areas - Knowledge through Science, Opportunity through Action, and Inspiration through Storytelling - that work together to drive collective action for the Earth. The One Earth Climate Model is the most advanced energy decarbonization model that shows we can limit global average temperature rise to the critical threshold of 1.5C with currently available solutions. The One Earth Solutions Framework indexes the 75+ most effective solutions across three pillars of collective action-energy transition, nature conservation, and regenerative agriculture. One Earth's award-winning science and mapping tool, the Global Safety Net (GSN), provides a blueprint of the approximately 50% of the world's lands and oceans that must be protected and restored to solve the interconnected crises of biodiversity loss and climate change. In 2022, the science of the GSN became the basis of a global biodiversity agreement signed by 200 countries to protect 30% of the planet by 2030. As momentum builds around the 30x30 movement, more decision-makers are turning to the GSN mapping tool and its underlying science for clarity on prioritizing and implementing conservation efforts. Form 990, Part VI, Section B, Line 11b - A full copy of the Form 990 is provided to the entire board prior to filing with the Internal Revenue Service.

Form 990, Part VI, Section B, Line 12c - Each director, principal officer, and member of a committee with board-delegated powers annually signs a Conflict of Interest disclosure statement; in addition, these individuals have an on-going duty to disclose any potential or actual conflicts of interest. Should a potential conflict be identified, the conflicted individual has the opportunity to disclose to the board all material facts; thereafter, the conflicted individual leaves the board meeting while the determination of conflict of interest is discussed and voted upon. Should the board determine an actual conflict of interest exists, the board exercises due diligence to determine whether the organization can obtain (with reasonable efforts) a more advantageous transactions or arrangement from a person or entity that would not give rise to a conflict of interest. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the board shall determine by a majority vote of the directors then in office (without counting the vote of the interested director or directors), whether the transaction is in the organization's best interest, for its own benefit, and whether it is fair and reasonable. The proceedings are recorded in the minutes of the board meeting.

Form 990, Part VI, Section B, Line 15 - Compensation for the executive director is established by independent voting members of the board of directors (as the executive director is also voting member of the board), who utilizes comparability data (including compensation surveys/studies and form 990s of other organizations) for similarly situated employees in similar organizations and geographic regions to substantiate its decision. This process is recorded in the board meeting minutes.

Form 990, Part VI, Section C, Line 19 - The organization makes its governing documents, conflict of interest policy, and financial statements available upon request.

Form 990, Part IX, Line 24a - 24d - During the year ending December 31, 2024, the organization recognized "Bad Debt" expense of \$200,000 as a result of a pledge in that amount which was previously made to a program of One Earth which spun off to a fiscal sponsor during the year such that the pledged funds would be now going to that new fiscal sponsor.

solutions in each region. Minding the Gaps: One Earth's Climate Finance Report showcases insights from the One Earth Solutions Finance Tracker, a powerful new tool, built in collaboration with Vibrant Data Labs, that brings clarity to the climate solutions landscape. For the first time, this tool will allow us to see how private funding flows across the One Earth Solutions Framework - which indexes 75+ of the most effective solution pathways across energy transition, nature conservation, and regenerative agriculture. These insights illustrate how to scale and deploy investment and philanthropic capital in a more strategic and coordinated manner that centers nature and equity, and can help drive greater collective impact in the coming decade.
