Now you can make sure your love is expressed even when you are unable to visit the cemetery. Our convenient Everlastings Floral Placement Program ensures that your loved one will be remembered with flowers on the special days you designate or choose from one of our custom packages.

These beautiful bouquets are produced specifically for our cemeteries and are customized to fit in one of our eco-friendly recyclable vases. Spring Grove and Oak Hill staff place a bouquet arranged in the vase at the location of your loved one and each arrangement includes a personalized message card.

The types of flowers will vary from season to season. Fresh flowers are used during the months of April through October and Silk flowers are used November through March. A 24" fresh evergreen wreath made with pine cones and a red velvet bow is placed on an easel for the holiday season. The wreaths are placed the first week in December and remain until the second Thursday in January.
